Additional information

Taxes, Surcharges and Fees

We use your service address for each wireless service line to determine how we bill taxes, other governmental charges, and Verizon surcharges (which are Verizon's charges, not taxes). As of September 1, 2025, for service other than 5G Home and LTE Home (which are not subject to these charges), these charges can add between 15% and 50% to your standard monthly access and other charges, and may include a Federal Universal Service Charge (36.0% of the interstate and international telecom charges; varies quarterly based on FCC rate), Regulatory Charge (\$0.21 per voice line, \$0.02 per data-only line) and Administrative and Telco Recovery Charge (\$3.78 per voice line, \$3.97 per data-only line). Taxes, other governmental charges, tariffs, and Verizon surcharges are subject to change. For more details on these charges, call 1-888-684-1888.

Ewaste tax disclaimer

Disposal of electronic waste in a solid waste landfill is prohibited. Contact <http://deq.nc.gov/about/divisions/waste-management/solid-waste-section/electronics-management/consumer-information> or 1-877-623-6748.

Return policy

You may return or exchange wireless devices and accessories within 30 days of purchase. Gift cards are not eligible for return or exchange, except as required by law. A restocking fee of \$50 applies to any return or exchange of a wireless device (excluding Hawaii). You may exchange your device one time. For Buy One, Get One or similar offers, both items must be returned. See www.verizon.com/support/return-policy/ for complete details.

Device promotion

You'll see your monthly promo credit in 1-2 billing cycles. If your credit takes 2 cycles to appear, you'll see the credit for the first cycle on your second bill, in addition to that month's credit. Only one promotion per line. Line(s) must remain active, on an eligible plan and in good standing to receive promotional value. The credits will end at the end of your promotional term or when you cancel, transfer or upgrade this line. If your promo credits are associated with a trade-in, you'll lose your credits when you pay off your device payment agreement (DPA) before your trade-in device is received and the device you traded in must be in good working and cosmetic condition to receive credits. If you purchased your device on a DPA with an offer to Buy One device, and Get One device at a discount (or Free), then credits will also end when the DPA balance is fully paid.

Decline equipment protection

I understand that by declining equipment protection, if my device is lost, stolen, damaged or experiences a post-warranty defect, I must pay any balance on my device payment agreement (if applicable). If I choose to replace it with a new device, I may be required to pay full retail price, which may exceed \$1,000.00. I understand that I only have 30 days to enroll in coverage after my device activation.
